# TESTIMONIALS

## No hesitation in recommending...

*"I am proud to state that my firm was one of the first to retain Tim. I have used investigators for more than 25 years and Tim has proven to be the most competent and reliable investigator with whom I have worked. In serving subpoenas for me, he has proven to be resourceful and creative. He is an excellent witness in court and my clients have been impressed with his thoroughness. I have no hesitation in recommending Gateway to anyone who needs a full-service investigator."*

## They get great results...

*"I've been very satisfied with the work Gateway's done. I previously used only one surveillance company (in Chicago) because I kept getting lackluster service and average to below-average results from other companies (especially the really, really big ones that are supposed to be "preferred" vendors). After trying Gateway out a couple times, I wound up splitting my business right down the middle between Gateway and the other company that I use."*

## Great patience and professionalism...

*"I just wanted to say thank you for the great work on this assignment. It was quite a thrill to show the surveillance footage to the judge right after the guy testified that he couldn't push a lawn mower or reach his arms above shoulder height on cross-exam! I showed two 10-minute segments during trial, and the entire DVD went into evidence. Steve's testimony was rock-solid, and he showed great patience and professionalism throughout a very long day at court."*

## Recommend to anyone...

*"Gateway Investigations has always been the best investigation company I have used. They get great results, are always quick to respond to any issues or questions, and come up with creative ways to get me the things I need to move my cases forward. They are competitively priced and I would recommend using them to anyone."*

All terms "Net 30" for companies or firms of which we are an approved W-9 submitted vendor.

Gateway Investigations works on a retainer basis for private citizens. After discussing your case in an initial free consultation, we will estimate the anticipated time and expense necessary to bring the investigation to a successful conclusion and set the retainer amount accordingly.

Payment may be made by cash, check, credit card or PayPal.

We will not exceed the estimated budget – or the amount of the initial retainer – without your prior approval.

At the conclusion of the case, we will issue you a detailed invoice itemizing all charges, and any remaining amount from the initial retainer will be refunded. Should you choose to cancel an investigation at any time, we will immediately refund all unused funds from the retainer.
